

# HORSES

It's no secret that Oxyfresh pet products help Fluffy and Fido feel better, look better and smell better ... but what about the rest of the world's creatures? Shouldn't they all benefit from Oxyfresh's incredible products?

## Oxyfresh Helps Horses Products & Benefits/Uses

- there are 9.2 million domestic horses in the U.S.
- over 9 percent of households own horses
- horse owners spend more money per animal than any other pet owner
- horse owners tend to be better educated about their horses and their care
- horse owners spend more time grooming their animals

*"As a veterinary technician, I know how important it is for performance horses to stay calm. Speedy recovery from injury or illness is imperative. Primorye Pet does it all!"*

PAM PATTON  
Paradise, Pennsylvania

### Primorye® | #3135

*1 ounce for every 800 pounds*

- Great for horses that get spooked around traffic, strangers or new situations
- Use for show horses to alleviate anxiety
- Supports faster recovery after hard exercise; increases mental clarity during events

### Primorye Gold® | #3131

*3 to 10 cc's per 1,000 pounds body weight*

- Works well for horses that do not trailer easily

### Pet Gel | #405

- Can be used to help prevent periodontal problems or sores at the mouth corners from bits
- Apply to skin incisions to help speed healing. The Aloe Vera content is soothing and decreases inflammation. Use on irritated areas, wounds, or surgical incisions

### Pet Oral Hygiene Solution | #456

*four teaspoons per gallon*

- Supports improved oral health and keeps water buckets cleaner longer

### Pet Ear Cleaner | #420

- Use to help keep ears clean and free of wax/dirt build-up

### Pet Shampoo | #401

- Excellent properties to clean, deodorize and support healthy skin. Use to support treatment for "rain scald" by leaving shampoo lather on for 5-10 minutes. Rinse

### Skin Barrier® | #218

- Apply to clean hoof wall prior to polishing to prevent cracking
- Use on hands prior to working at the barn or with tact

### Cleansing Gelé | #200

- Use to clean wounds or use to bathe the entire horse

### Pet Antioxidants | #440

*1 wafer for every 100 pounds*

- Crush and add to food to help eliminate free radical damage and support immune system

### All-Purpose Detergent | #804

- Excellent for cleaning riding clothes and blankets. Dilute to bathe a very dirty horse
